The students
are
discussing
some
problems of
our school
life.

Famous school-leavers

Olga Zaitseva is well-known
in biathlon.

In 2007 in the Olympic
Games in Turin she won a
gold medal.

Svetlana Novikova

She goes in for biathlon too
but she is famous for archery.

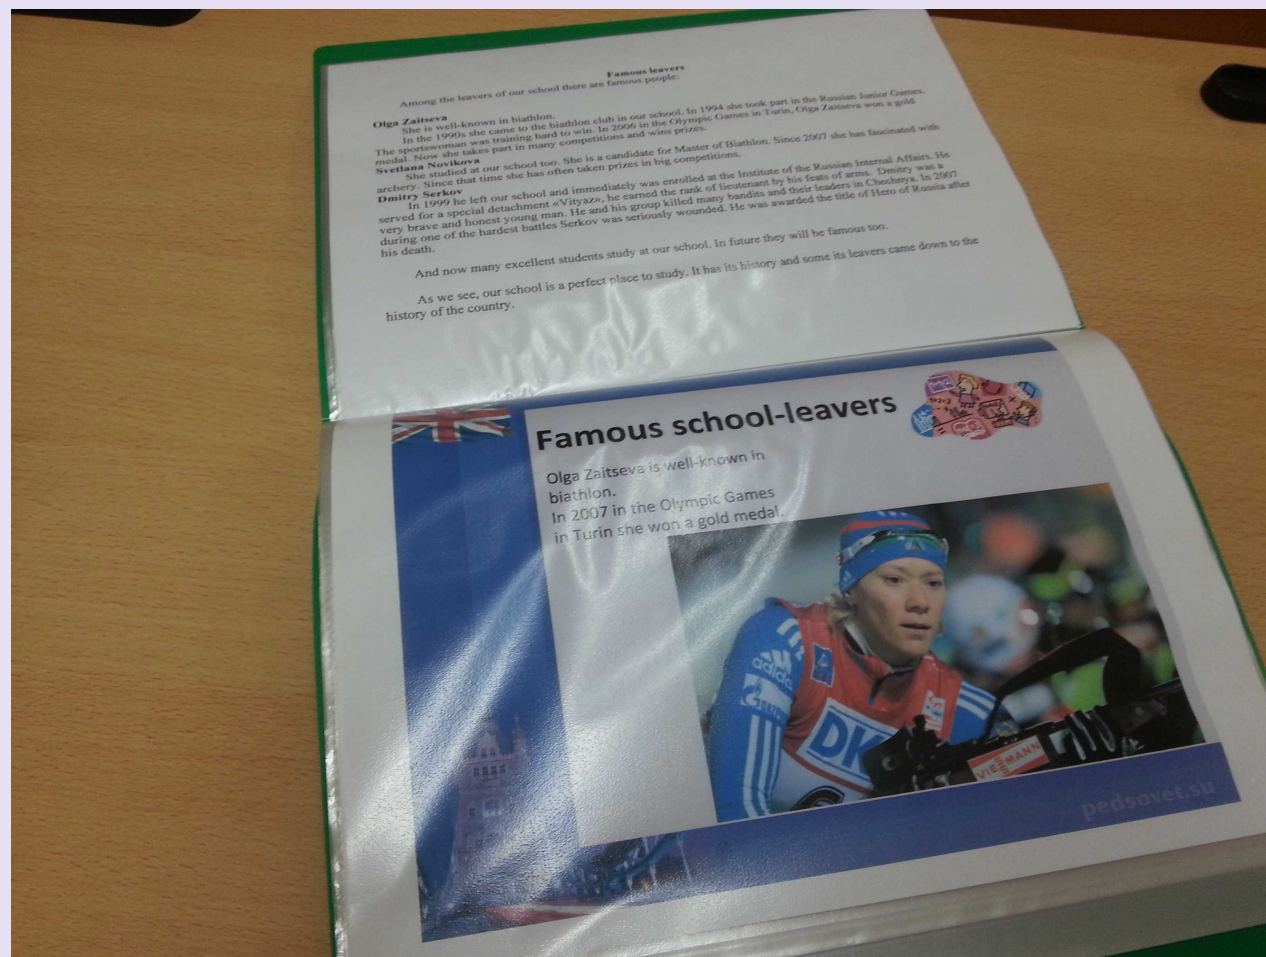

Dmitry Serkov

- Dmitry served in special detachment “Vityaz”.
- During the hard battle he was killed.
- Serkov was awarded the title Hero of Russia after his death.

The Round Table of the Headmaster and the students of the 10th Year

- Where did you go to school?
- How is school in the age of seven.
- What were your favorite subjects at school?
- I liked Physics and Mathematics.
- What did you begin to study?
- I began to work at the age of 17 after the 10th year in 1966.
- Like I spent a year in Moscow (Moscow's Pavek) .
- I began to work in 1967.
- How many pupils are there in our school?
- There are 400 pupils.
- How many teachers are there in our school?
- There are 15 teachers.
- How old is our school?
- Our school is 90 years.
- Who are the famous school teachers?
- The famous school teachers are the Zentara, Dmitriy, Serebren.
- What are our school plans for the future?
- Our school has a lot of plans, new computers for our school, books, a new football field, a new gym, a new library, new teachers and many others. We will work with new standards, we will cooperate with Moscow's universities and young school.

*We hope that in future we will
be famous too.*

Thank you for your attention!
