

If you start from Moscow, the fast train
“Vyatka” will cross a distance of 947 km
travelling eastwards and you’ll be in our
city.

What is our purpose?

Our It's Our Native Land...

It is to show foreing friends a but everyone has Natural Science Lyceum.

**the dearest place
on the planet.**

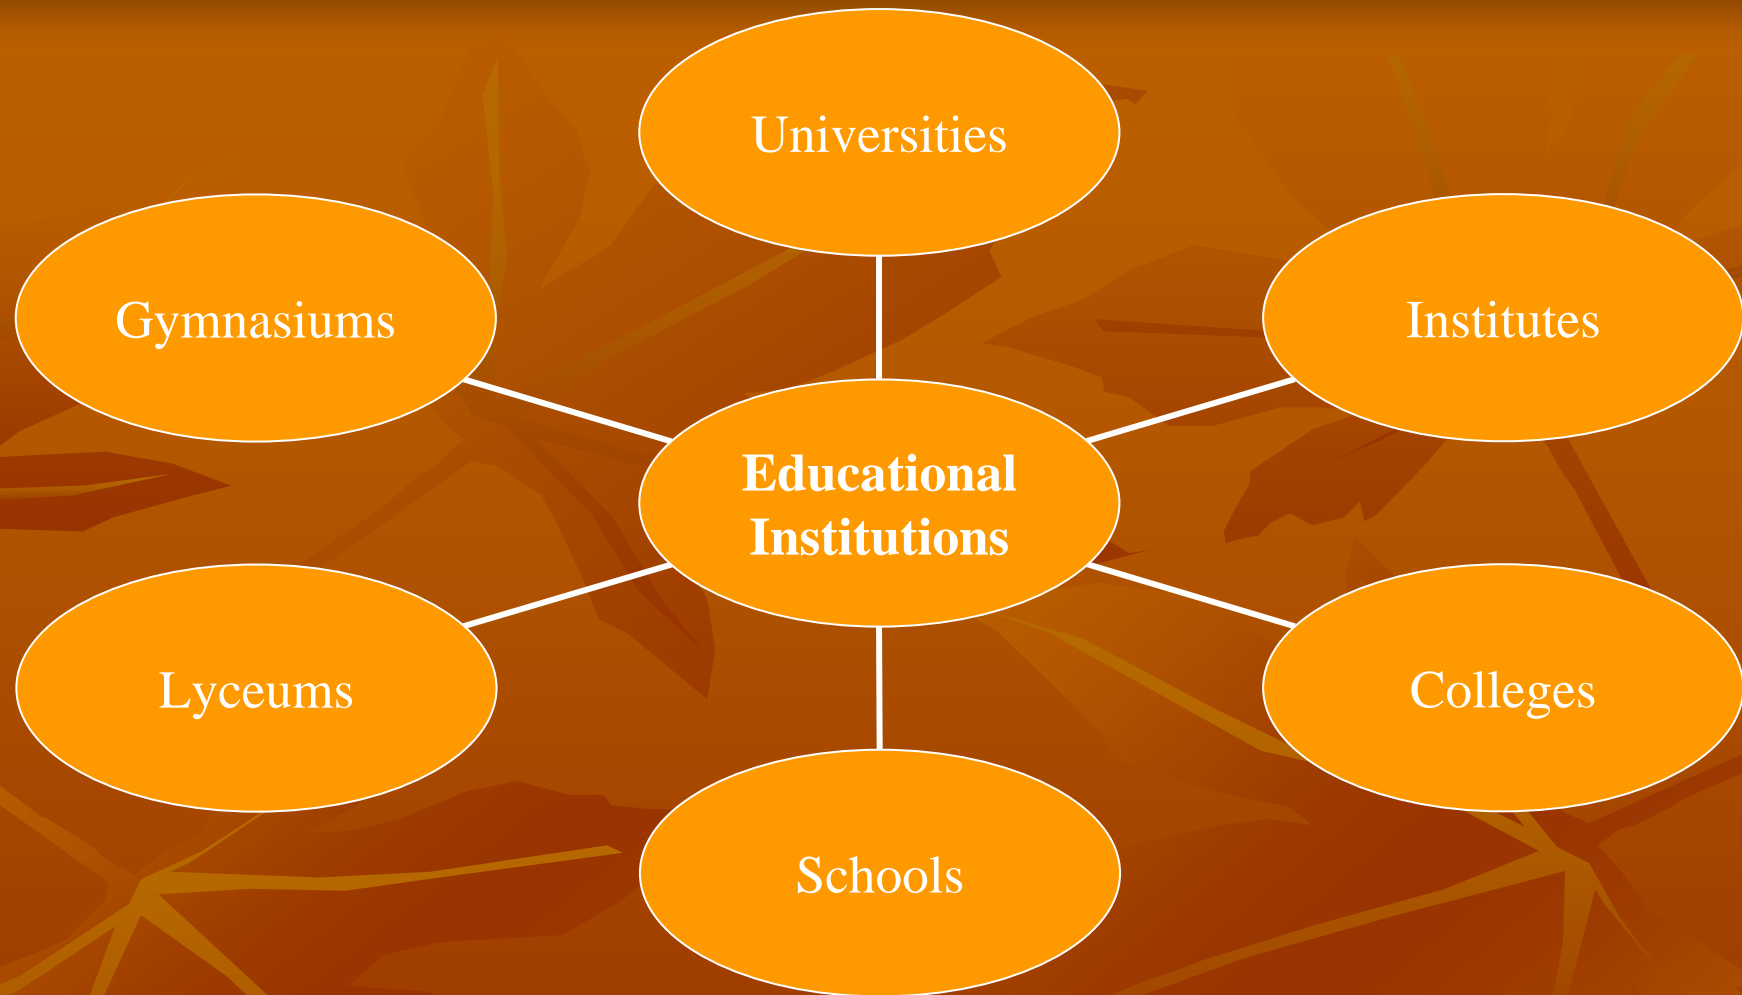

Let's Discover Our Native Land!

It's his birthplace...The City of Kirov!

Kirov is the center of...

- ...politics
- ...industry
- ...culture
- ...and, of course, education.

**One of the greatest lyceums is...
...Natural Science Lyceum!**

We believe you enjoy it.

The background features a light yellow field with several large, stylized autumn leaves in shades of brown and orange. The text is rendered in a bold, sans-serif font with a cork-like texture and a black drop shadow, giving it a three-dimensional appearance.

Natural Science Lycceum

What does the word "Lyceum" mean?

The word "lyceum" appeared many years ago in Greece. A Greek word "λῦκειον" ("lykeion") means "school for special children".

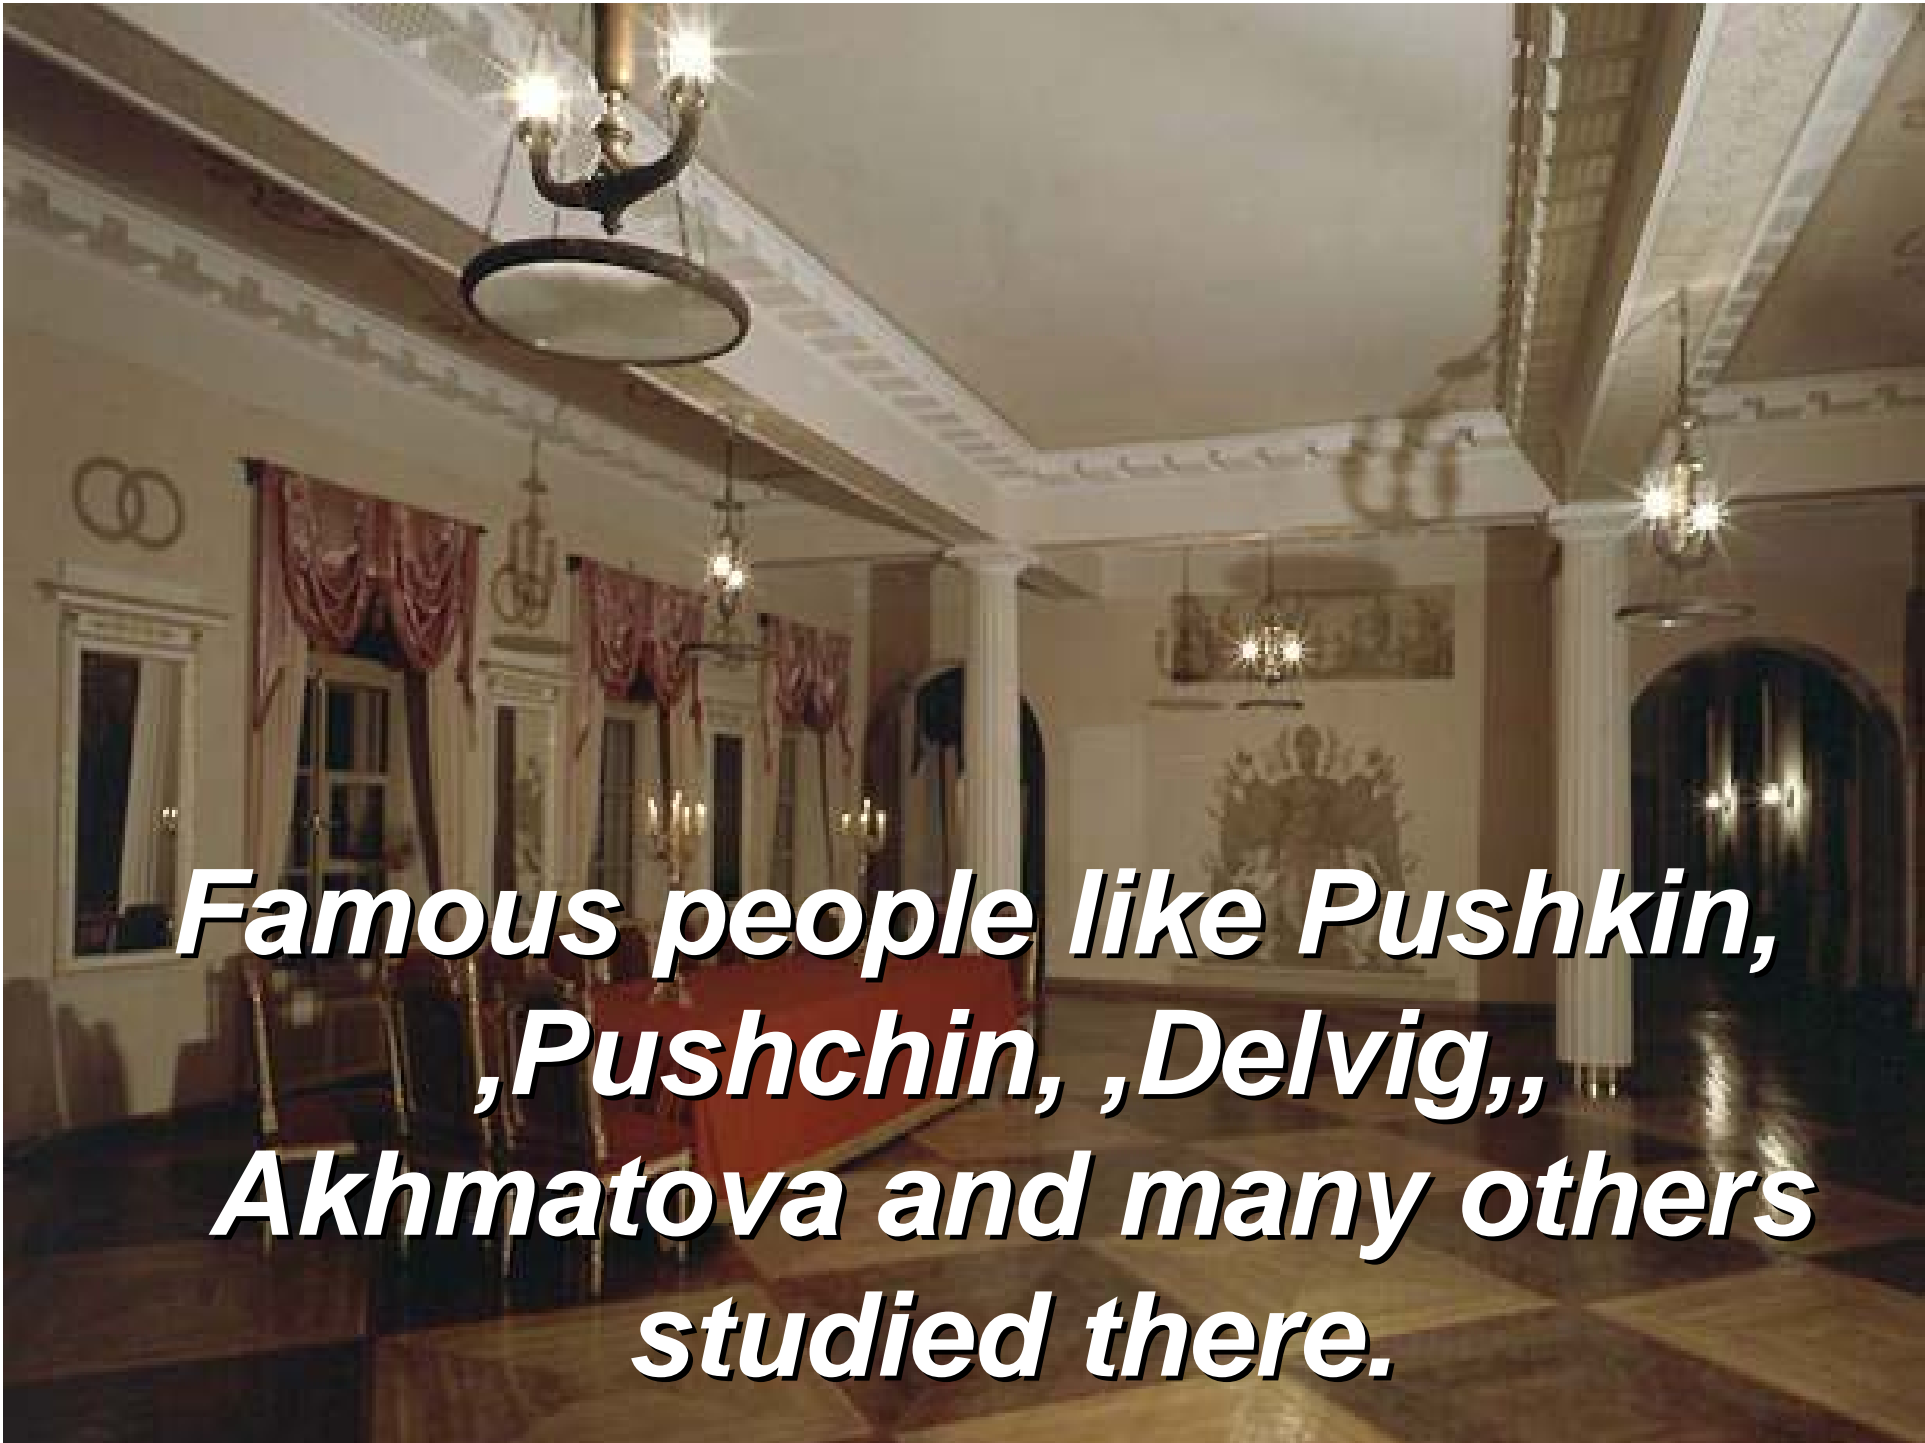

A photograph of the Tsarskoe Selo Lyceum building, a large, multi-story structure with a curved facade and many windows. The building is light-colored with dark window frames. In the foreground, there is a paved area with some people walking. To the right, there are green trees and a street lamp. The sky is blue with some clouds.

What do you know about
the First Russian Lyceum?

The first lyceum in Russia was
established
in Tsarskoe Selo.

The Tsarskoselsky lyceum was opened
in 1811.

It was only for children of the noble

A photograph of a grand, ornate interior space, likely a library or study hall. The room features high ceilings with decorative moldings and several large, multi-tiered chandeliers hanging from the ceiling. The walls are light-colored with decorative elements, including a large mirror or framed artwork on the right wall. The floor is made of polished wood with a checkered pattern. In the foreground, there are dark wooden bookshelves or tables. The overall atmosphere is formal and historical.

***Famous people like Pushkin,
,Pushchin, ,Delvig,,
Akhmatova and many others
studied there.***

Are you interested in our Lyceum's history?

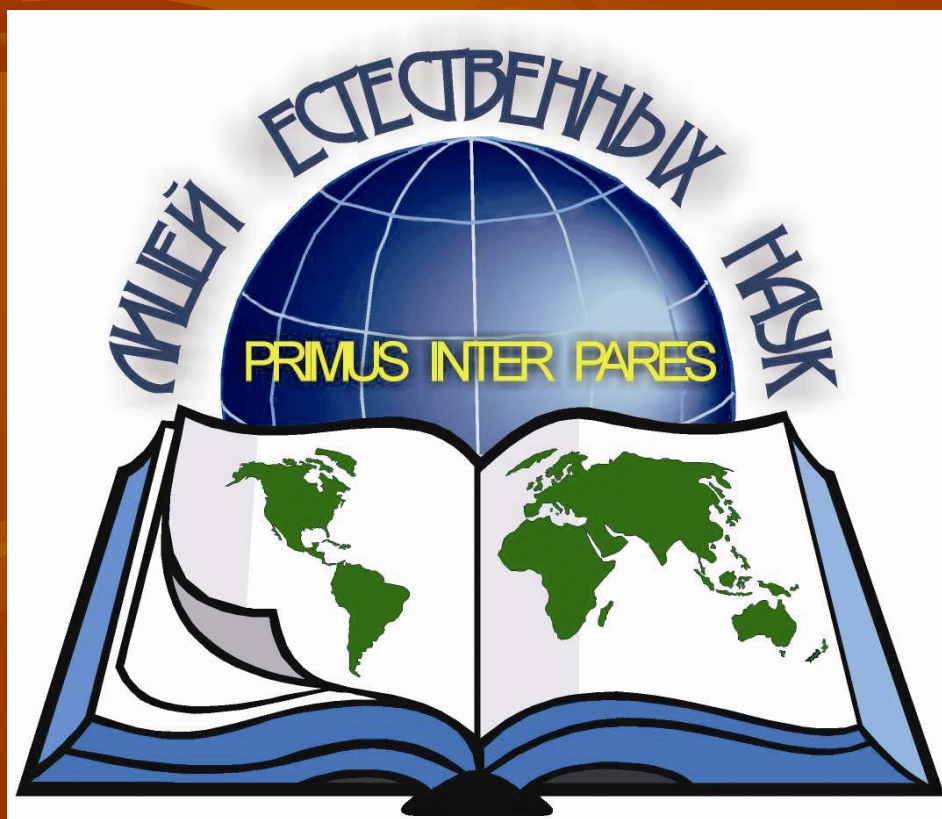

We have studied the history of our lyceum and we want to draw your attention to some facts and dates.

- It was founded in 1991.
- Earlier our lyceum was situated in Ganino.
- It was called “Chemistry-Biology lyceum”.
- Since 1998 it is in Vozrozhdeniya street.
- And now our lyceum is “Natural Science Lyceum”.
- October, 19 is our birthday.
- In 2006 we celebrated the 15th anniversary.
- Our lyceum won presidential grants twice.

Have you ever seen Lyceum's symbols?

Our emblem...

Our motto...

They are really unique.
Is that so?

What is special in our
Lyceum's life?

We have a very interesting life.
It includes, of course, difficult and at
the same time exciting studying.
But our lyceum is not only a school.
What is it?
Let's see!

There are seven wonders in the world...

The Mausoleum at Halicarnassus

The Colossus of Rhodes

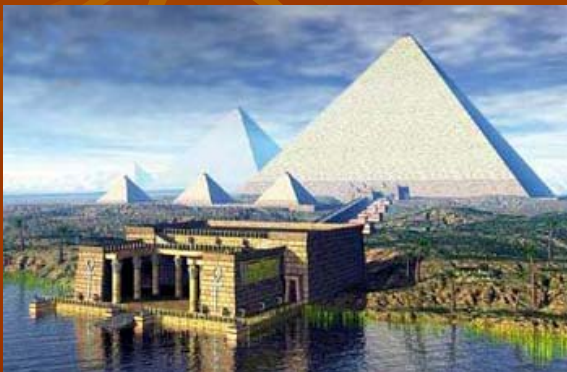

The Hanging Gardens of Babylon

The Temple of Artemis in Ephesus

The Statue of Zeus at Olympia

The Great Pyramid of Cheops

The Pharos of Alexandria

And we have 9 ones!

Wonders of our Lyceum

1. Scientific work. Many students of our lyceum work in the club “Noosphere”.
2. Our traditions.
3. Lyceum’s theatre.
4. C.I.C. (The Club of Intellectual Competitions).
5. “KVN” . Our team is one of the most popular.
6. The best sportsmen.
7. Our summer holidays.
8. Our achievements and diplomas.
9. ...

**And the 9th wonder of the world is our lyceum
brotherhood:
understanding, friendship and helping of our teachers &
parents.**

What is our scientific work?

- Intellectual marathons for children
- Scientific conferences
- Competitions

Scientific work

Our theatre is the best, isn't it?

Our favorite plays are "Prince Rickey", "Scarlet sails"

What is C.I.C?

(The Club of Intellectual Competitions)

- Alexander Trifonov, the teacher of geography, founded this club for pupils from 5-11 grades.
- There they solve logical tasks, that sometimes are very funny.
- WE LIKE IT!!!

KVN

- Our students take part in different competitions
- We are the best in this competition

Are our sportsmen really brilliant?

Look at them!!!

Dmitriy Tiunov

Anastasia Shumilova

Stepan Mozolin

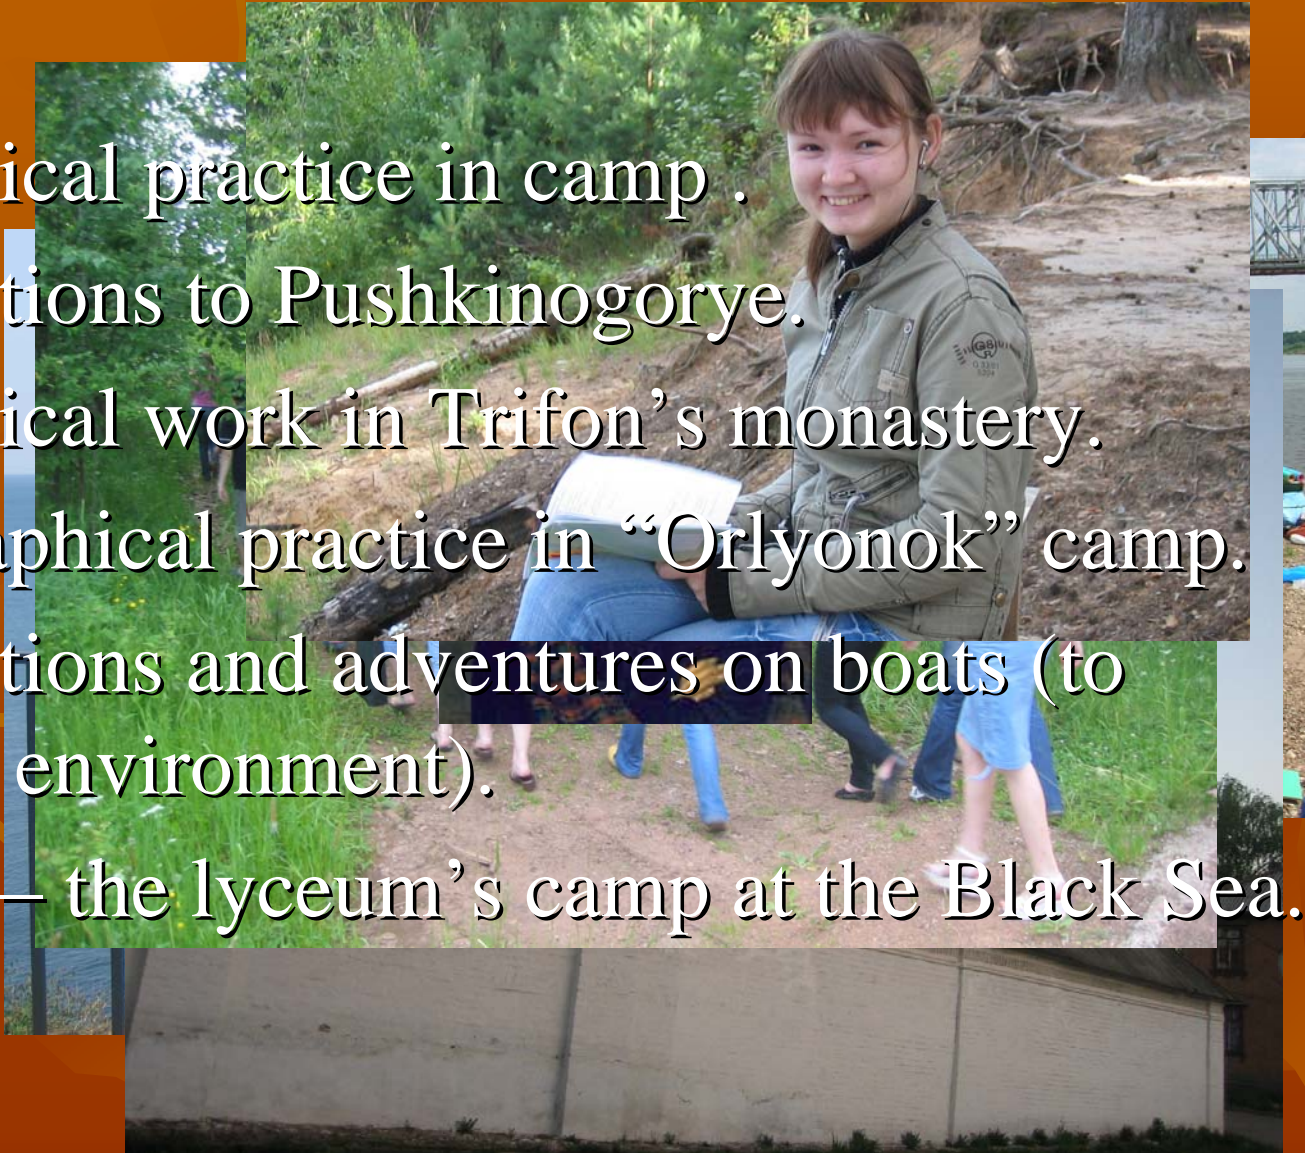

What traditions do we have?

- Lyceum's decade
19th October – the birthday of our lyceum
- Pushkin's ball of elder students
- Lyceum's spring:
the results of our school year, our achievements.

Our summer is not boring too...

- Ecological practice in camp .
- Expeditions to Pushkinogorye.
- Ecological work in Trifon's monastery.
- Geographical practice in “Orlyonok” camp.
- Expeditions and adventures on boats (to protect environment).
- Anapa – the lyceum's camp at the Black Sea.

Our achievements and diplomas...

Teachers:

We created wonders ourselves together with our remarkable teachers.

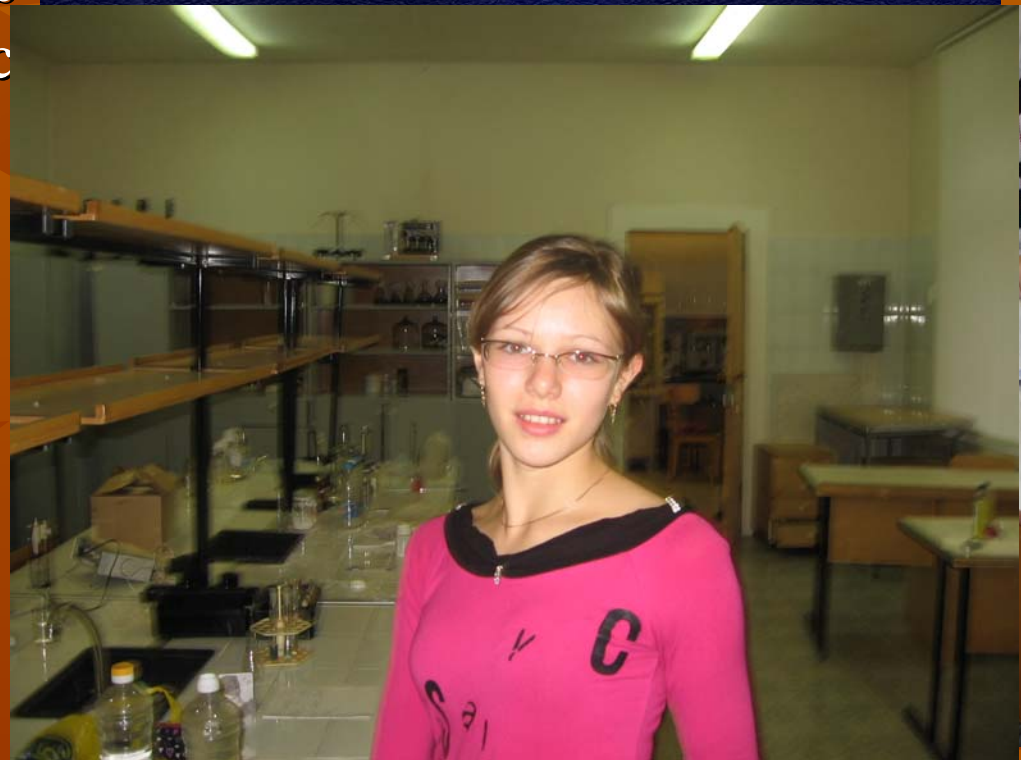

They are clever and kind people who can answer any question and help in difficult situation.

Among them are winners of Russian competitions and just good people!

Our lyceum has all facilities for studying & activities...

- 30 classes with computers for presentations & projects
- Computer classes.
- Internet
- Large library
- Chemical laboratory
- Assembly hall.
- Gymnasium.
- Dining room.
- Disco.

Have you got
your school laws?

We have!

Every student should learn well.

Every student should wear his or her school
uniform.

Every student should defend the honor of our
lyceum.

Can you answer our questions:

- What impression does it make on you?
- How do you like it?
- What do you think of our activities?
- Is our lyceum worth visiting?
- Do you find it interesting?
- Did our project enlarge your knowledge?
- Did you enjoy our project?
- What did you enjoy most?

Would you like to study with
us?

Welcome to our lyceum!

Our address:

610006, Kirov, Vozrozhdenya street, 6

(8332) 58-07-98

Xbl-klen@mail.ru

The project is done by:

***Eugene Zadorin & Darya Klabukova
Kotryakhov Ivan & Fadeeva Mary***

Students of 11th form

Special thanks to our English teacher

Vostrikova Nina Nikolaevna
