I've got a lot of  
favourite things*

I like animals. When I was three, I went to the zoo. It was fantastic! There I saw tigers, bears and other animals.

I ate popcorn, rode  
different  
attractions. My  
mother bought me a  
balloon. I was very  
happy.

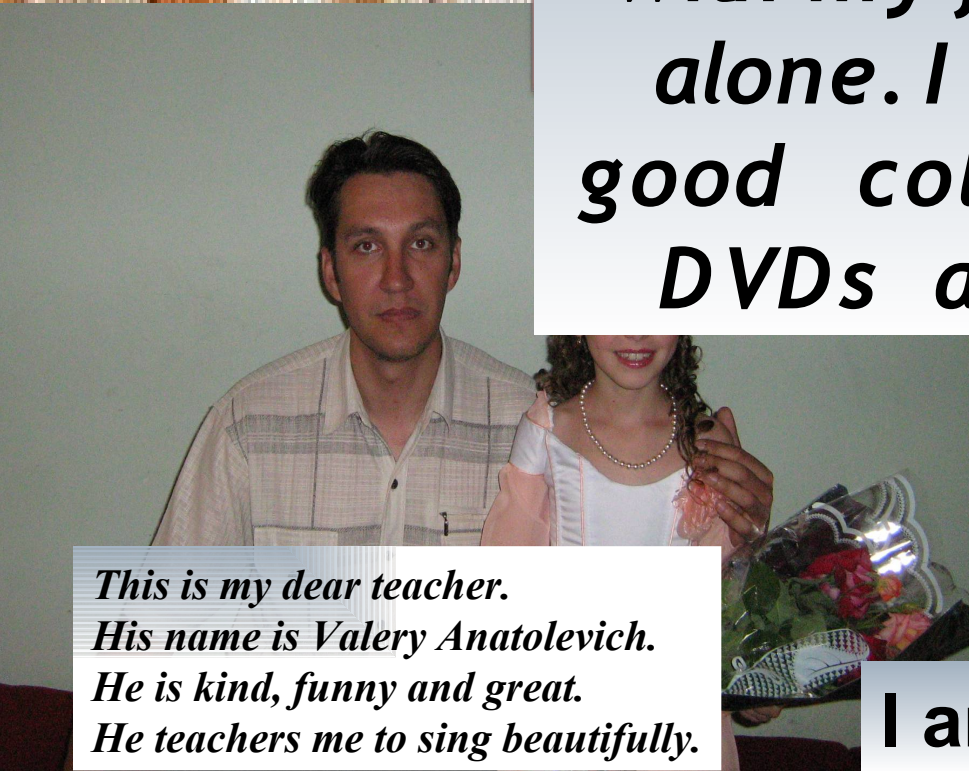

When I was five I went to Volgograd. It was great! I went to the amusement park. It was beautiful! There were many attractions. We visited museums, shops, walked around the streets and ate a lot of ice-cream. I visited Volgograd many times after that. I like this city very much!
